

## CREMANT DE BORDEAUX *Jean-Louis Trocard* BRUT SPARKLING WHITE WINE

Appellation : Crémant de Bordeaux  
Grape Varieties : Sémillon, Cabernet Franc  
Owner : Jean-Louis Trocard

### PRESENTATION:

Resulting from a fine assembly of Semillon and Cabernet Franc grapes, this wine is made according to the traditional way in Bordeaux. It benefits from the sweetness of the oceanic climate and from the good period of sunshine in Bordeaux.

This Crémant develops during its breeding all its delicacy and its aromas. Its nose is elegant and complex with notes of white flowers, sweet almond and marjoram, with just a touch of wild strawberry. In mouth, a beautiful attack with a creamy mousse and pleasing balance. Initial aromas are carried forward to the palate; excellent persistence, with brioche-like notes on the finish.

Delicious, it will be appreciated as an aperitif or with a white meat.
